

# duna

**DUNA** è una piastrella in **terracotta smaltata**, dal **design morbido e tridimensionale**, che si evolve nella forma “concava” e “convessa”, creando suggestivi rivestimenti. Delicata e avvolgente, la collezione trae ispirazione dalla sinuosità delle dune di sabbia del deserto. Il formato principale è **10x30x2 cm - 4”x12”x0,8”**, con possibilità di creare **colori, superfici ed effetti ceramici personalizzati**. DUNA ha la peculiarità di poter essere posata senza fuga e stucco (eccetto per le zone umide).

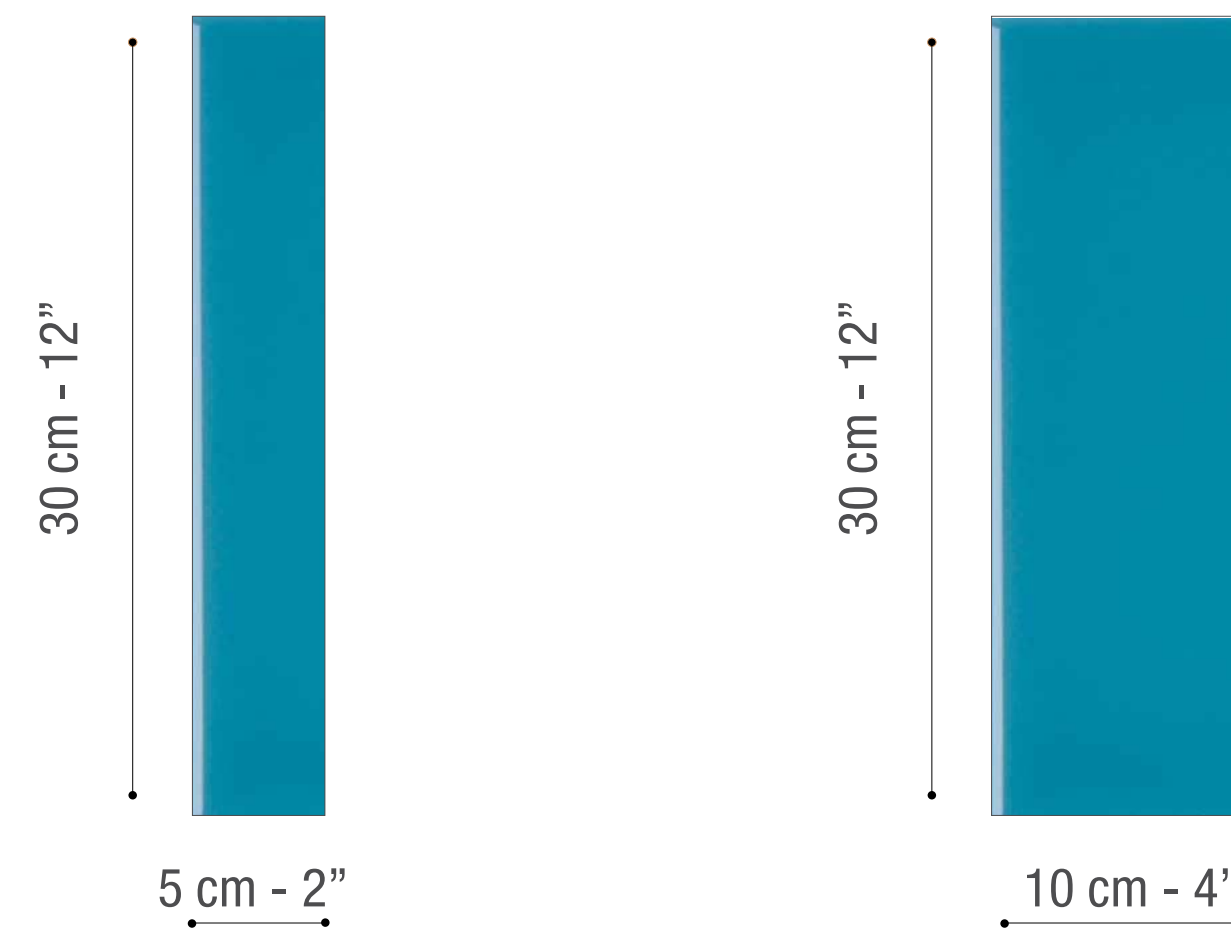

**DUNA** is a **glazed terracotta tile**, with a **soft and three-dimensional design** that evolves in the “concave” and “convex” shape, creating suggestive coverings. Delicate and enveloping, the collection is inspired by the sinuosity of the sand dunes of the desert. The main size is **10x30x2 cm - 4”x12”x0.8”** and the possibility of creating customized **colours, surfaces and ceramic effects**. DUNA has the peculiarity of being suitable for installations without joint and grout (except for wet areas).
