MIMI

L'onda chiese al mare: "Mi vuoi bene?"

E il mare rispose: "Il mio bene è così forte che ogni volta che t'allontani verso la terra io ti tiro indietro per riprenderti tra le mie braccia. Senza te la mia vita sarebbe insignificante. Sarei un mare piatto, senza emozione. Tu sei l'essenza del mio esistere". L'onda fu felice. Tra le braccia del mare.

Cit. Tony Kospan

Piastrella voluta da Mimi D'Introno fondatore della Ceramica Incontro e a lui dedicata.

The wave asked the sea: "Do you love me?"

And the sea replied: "My good is so strong that every time you go away to the land I pull you back to take you back into my arms. Without you my life would be meaningless. I would be a flat sea, without emotion. You are the essence of my existence". The wave was happy. In the arms of the sea.
