BASALTINE

BASALTINE

An italian tile **made in the USA**

Basaltine is a color body porcelain tile inspired by the natural elegance of volcanic stone. A contemporary look designed to satisfy the most sophisticated aesthetic and architectonic tastes and requirements; Basaltine is available in 5 colors. With the option of using either a natural or grip finish, Basaltine is ideal for both walls and floors. The five sizes, available in rectified format, also help to create clean and modern atmospheres suitable for public spaces that desire to make an impact. The white color is perfect for unique and refined spaces. The two shades of gray and brown are ideal for being combined and creating new and original patterns. Offered in rectified formats, it may be used in modular patterns.

SHADE VARIATION

V1

UNIFORM APPEARANCE

Differences among pieces from the same production run are minimal.

V2

SLIGHT VARIATION

Clearly distinguishable differences in texture and/or pattern with similar colors.

V3

MODERATE VARIATION

While the colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles, the amount of colors on each piece will vary significantly.

V4

SUBSTANTIAL VARIATION

Random color differences from tile to tile, so that one tile may have totally different colors from that on other tiles. Thus, the final installation will be unique.

WHY PORCELAIN?

There are many reasons to choose impervious porcelain tile over other floor coverings. It offers the largest array of design options and holds its value the longest. In a comparison between the many different flooring options, porcelain tile offers one of the most durable and least expensive options over the lifespan of the building.

Benefits of Porcelain Tile

- Impervious to water
- Easy to maintain
- Variety of design options
- Environmentally friendly
- Resistant to germs and bacteria
- Fade resistant
- Fire resistant
- Durable - best long-term value vs. other floor coverings

HOW TO MAINTAIN YOUR PORCELAIN TILE

- Sweep or vacuum regularly.
- Wash with a household cleaner and hot water then rinse with clean water (do not use wax, oil-based, or abrasive cleaners).
