Foliage

Durante il variare delle stagioni, gli alberi ci affascinano con la loro varietà di sfumature: rosso e marrone in autunno, bianco in inverno, verde in primavera. Da queste sfumature nasce una collezione nel formato 6×24,6 cm in 5 colori dal finish glossy che ricorda i tronchi degli alberi, le foglie cadute per terra, il muschio sulle rocce, nuance adatte a valorizzare il design di spazi privati e commerciali.

As the seasons change, trees fascinate us with their prismatic shades: red and brown in autumn, white in winter, green in spring. These shades breathe life into a collection of 6×24,6 cm size tiles available in 5 colours with a glossy finish reminiscent of tree trunks, fallen leaves and mossy rocks, a perfect range of nuances to enhance the design of private and commercial spaces.
