

MARMI FAEDO

Exclusive GROLLA quarry since 1962

MARMI FAEDO

is a solid **family run business** working with great expertise and passion any kind of stone and marble since 3 generation.

Marmi Faedo **owns a quarry** between Venice and Verona where they extract GROLLA

GROLLA is a **unique type of natural stone**

quarried inside an old volcano where the basalt on top warmed up and highly pressed the stone.

That's why Grolla has very interesting technical properties.

MARMI FAEDO

GROLLA is a Natural Limestone that is unique because of its technical characteristics

1. Water absorption less than 0,3%
2. It remains clean over time
3. Salt cannot attack
4. It does not absorb any stain
5. Its strength allows to work in bigger sizes at 1 cm thickness
