DIVISION 9 COLLABORATIVE

Martin Bergström

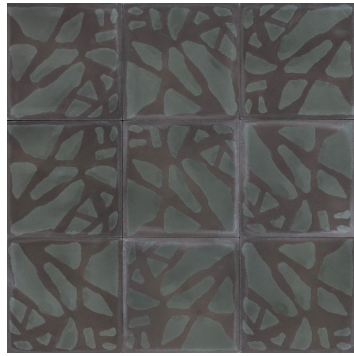

Into the dawn of history and the mystery of prehistoric times. The Sailing Stones Collection links remote and ancient Pattern and Tile traditions with the vision of a poetic future and the traces we leave behind.

The Collection is full of options and possibilities and comes in a variety of different colour combinations inspired by the history of Tiles and the ingredients that forms them. The Collection is produced using traditional pressed Tile techniques in a sustainable way.

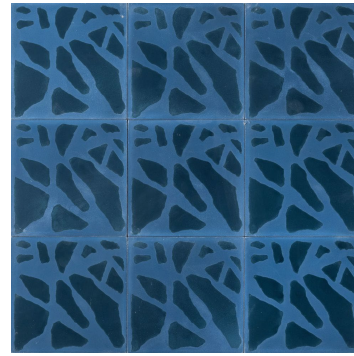

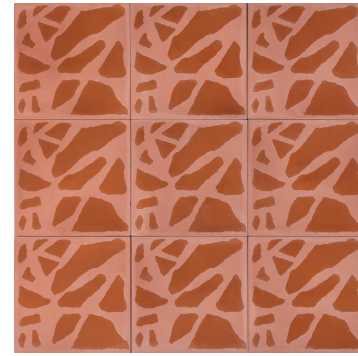

Core - bark/charcoal

Core - bison/khaki green

Core - blue jeans/oxford blue

Core - guava/pumpkin

Core - shell/sand

Core - silk/almond white

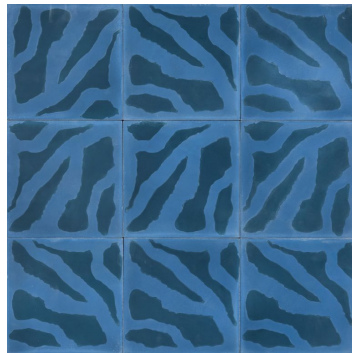

Core - walnut/sand

Crust - almond white/shell

Crust - bark/charcoal

Crust - blue jeans/oxford blue

Crust - guava/pumpkin
