OT07026

Una collezione che riprende lo stile e i colori della omonima linea di oggettistica firmata Cerasarda. Una esclusiva gamma cromatica che enfatizza il legame d'origine con il territorio sardo; dalla cruda essenzialità dell'entroterra dell'isola, agli aspri e incontaminati territori della Barbagia fino all'incontro con le limpide atmosfere marine delle coste. Oltre ai colori, anche le tantissime decorazioni realizzate a mano da esperti artigiani isolani *-proprio come in un atelier ceramico-* esaltano il pregio manifatturiero di questa collezione.

[en] A collection that reflects the style and colors of the line of objects of the same name by Cerasarda. An exclusive chromatic range that emphasizes the link with Sardinia; from the raw essence of the island's interior, to the rugged and unspoiled areas of Barbagia, to the translucent marine setting of the coast. In addition to the colors, the many decorations made by hand by expert island artisans *-just like in a ceramic atelier-* also enhance the manufacturing value of this collection.
