Ginevra, Svizzera

“I colori, i contrasti, la luce infondono benessere, ispirano una visione positiva della vita.”
Anche per queste ragioni Catherine H., ricercatrice e medico nutrizionista ama frequentare il mare Mediterraneo. Nella sua bella e solare casa di famiglia a Ginevra ha scelto la collezione *Pitrezza* per la straordinaria e vasta gamma cromatica unita all’autenticità degli smalti, all’elegante preziosità del craquelé: un raffinato stile che Catherine ha apprezzato durante un suo soggiorno di lavoro in una dimora a Vietri sul Mare.

Also for these reasons Catherine H., researcher and nutritionist, loves to spend time near the Mediterranean sea. In her beautiful sunny family home in Geneva, she chose the *Pitrezza* collection for its extraordinary and wide range of colors combined with the quality of its glazes and the elegant preciousness of the crackle: a refined style that Catherine appreciated during a business trip at a villa in Vietri sul Mare.
